FOREWORD

This Coronal is published for the students and teachers of Corona Senior High, that they may look back and re-live the many events that took place in the year 1948-49.

DEDICATION

To Edgar E. Ritter, who has constantly urged us to dig deeper to find more nuggets of news, and who has properly panned us when no pay dirt appeared, we cheerfully dedicate this **CORONAL**, the Forty-Niner.

the 1990s, the number of people with a mental health problem has increased by 50% (Mental Health Foundation 1999). The prevalence of mental health problems has increased in all age groups, but the increase has been most marked in the young (Mental Health Foundation 1999).

There is a growing awareness of the need to address the mental health needs of young people. The Department of Health (1999) has published a strategy for mental health care for children and young people, which sets out a vision for the future of mental health care for young people. The strategy is based on the following principles:

- The need to provide a range of services to meet the needs of young people with mental health problems.
- The need to ensure that services are accessible to young people.
- The need to ensure that services are of high quality.
- The need to ensure that services are cost-effective.

The strategy also sets out a number of key objectives for the future of mental health care for young people. These include:

- To reduce the number of young people with mental health problems.
- To improve the quality of life for young people with mental health problems.
- To ensure that young people with mental health problems are able to lead full and active lives.

The strategy is a key document for the future of mental health care for young people. It sets out a vision for the future of mental health care for young people, and provides a framework for the development of services for young people with mental health problems.

Row 1: Bob Morrell, June Smith, and Betty Tucker

Row 2: Bob Allen and Art White

Under the leadership of Bob Morrell, class president, the Seniors were able to "trudge" through their last year of school. Bob had very capable help in the other officers, Art White, vice-president; Betty Tucker, secretary; June Smith, treasurer, and Bob Allen, yell leader, who always led in "spelling out 'Seniors'".

In January the class presented its assembly, which was a good old-fashioned minstrel show with end men and Mr. Interlocutor. The Seniors all turned up with bright red faces after Ditch Day which was in May. Their Banquet and Prom was also given to them in May right before their last affairs in June — Class Day, Class Night, Baccalaureate, the Numeral Ceremony, and Commencement.

CLASS HISTORY

The Class of '49 started like the rest,
With an attitude of giving, giving just the best;
And that they did throughout the way
Not only in work, but even in play.

In our grammar school days we were always racing,
Whether in raising money, or even in pacing.
The hottest competitors were Jefferson and Lincoln,
But Norco and Washington weren't so stinkin'.

Then Junior High, where we united as one,
We continued working, getting things done.
For the next two years we were led by Morrell,
And if you can remember, they were just swell.

Scharli led the student body through our grade nine,
To vote for her we stood ten deep in line;
To her the honor of Sports Queen was given,
That was her reward for good and healthy livin'!

As new little Sophomores, feeling shy,
We wanted Holton for president. Gee, what a guy!
We were still new and young at the game,
So we took it and learned when we got the blame.

After the first semester of our late arrival,
Were the amazing results of a startling survival;
More Sophomores on scholarships than ever in history,
And how we ever did it, is still a mystery.

With a fine Junior year starting well on its way
Forty-niners' rings were seen on display.
Blue and rose gold was quite the new thing,
Who wouldn't be proud of a novel class ring?

Soon came Lemonville; Juniors in charge.
Big success! Reception was large!
No booths outside, but a few in the dance,
Confetti, serpentine, and fun at a glance.

Then came the Spring, and an Easter parade
Of powder blue sweaters never to fade.
The emblem by "Dup" was a big forty-nine,
The year when a heart could really pine.

Later in March appeared the Junior class play,
Which was said to be the best to its day.
Twas a three-act comedy, "Footloose", by name,
Through which Morey and Jody rose to actors' fame.

Now, finally, at last the awaited date,
The Prom! Oh, man! Gee, was it great!
The Legion was host to a gay-nineties theme,
And thinking back on it seems like a dream.

Then, towards the end, with vigorous campaigning
Was Student Body election, a contest for reigning.
Twas Morrell and Holton for president's place,
And I know that you've never seen such a close race.

Ah, summer again, then the last year—
What a thrill to spell "Seniors" loud and clear.
Bob Allen was the guy who led all the yelling,
We were proud to be Seniors, that's why we're telling.

Of Joseph as treasurer, we really were fond,
With nary a cent did he abscond.
Gee Gee as head of the "Corona!" did fine,
All you could hear when they came was "Sign mine!"

Miss Corona was our own Scharli Lyon—
For the rest of the girls, there was no use tryin'.
Arlene Wheeler was also crowned,
As Queen of Hi-Jinks, fame and glory she found.

One brand new thing that happened this year,
We had co-valedictorians at Corona dear;
Yes, Joseph and Holton came out the same
Barely surpassing Gee Gee in fame.

To C.H.S. we say goodbye,
Although we're happy, there's a tear in our eye;
We'll all go our different ways in the fall,
But the Class of '49 will be remembered by all!

Jackie Stewart, Betty Hall, Richard Ortega, Robert Gross, Morris Eaton

The class of 1950 has done much to keep the traditions of CHS held high, led by their class officers, Richard Ortega, president; Jackie Stewart, vice-president; Betty Hall, secretary; Morris Eaton, treasurer; and their class advisor, Mr. Pauly.

To make money for the Prom, the eager Juniors sold concessions at football games. The banquet and prom were given for the Seniors in grand style on May 27th.

November 12th was the date of the annual Lemonville plays and dance, which were presented in the usual manner of excitement and good times.

"A Murder Has Been Arranged", the long-awaited Junior play was presented February 24th and 25th. Those who attended were mystified and thrilled—especially Dot Alvis.

The class of 1951 entered Corona High as an enthusiastic group of students ready to co-operate with the others members of the student body and the faculty.

Helping especially to make the year successful, were their class officers: Jack Cahall, president; Claude Ragsdale, vice-president; Jerry Lou Emerson, secretary; George Padgett, treasurer; and their class advisor, Miss Escalante.

Some of the Sophomores showed outstanding talent and were chosen to represent the student body in the exchange assemblies. Others served the Seniors at their annual banquet, while still others decorated the auditorium for the Seniors' Baccalaureate Service.

Academics

HISTORY DEPARTMENT

History at CHS was divided into four main groups — world history, U. S. history, American Problems, and a new 2-hour course combining U. S. history and English. The purpose of history was to acquaint the students with past history of the world, so they might better their own and their children's future. The U. S. history and English combined course showed how closely knit the two subjects are and how one is useful to the other.

ENGLISH DEPARTMENT

The English classes were kept busy this year with book reports, panel discussions, orals, grammar, studies in American and English literature, and studies in creative writing. The Junior English classes held a mock presidential election. The drama class learned about drama in general and managed to give the Lemonville plays, "The Spell of the Yukon" and "Thank You Doctor". The journalism class kept busy publishing the Ko-Hi-Nur every week, and furnishing KBUC with the news of Corona. They attended the annual journalism conference at Chaffey College and went on a field trip through the L. A. Times building.

LANGUAGE DEPARTMENT

The Latin and Spanish classes spent most of their time translating stories from one language to another, with a minimum of time spent on grammar. Besides learning the languages, much time was spent on people and their customs. The Latin class, of course, read "Julius Caesar"; and at Christmas time, the Spanish classes went around school caroling. The Latin class also visited the L. A. County Museum. During the second semester the whole department took part in a foreign language assembly.

SCIENCE DEPARTMENT

To teach the students a scientific attitude and to give them a better appreciation of science in their everyday life was the purpose of the chemistry, physics, and biology classes. Exhibits and experiments were also carried out by the students to give them a clearer picture of their problems. Chemistry and physics students also had lab work, so that they could get a practical viewpoint.

HOMEMAKING DEPARTMENT

With so much to offer, the homemaker classes this year have really accomplished their purpose of interesting both boys and girls in the ways of home and family living. Mrs. Arnold, who is primarily the sewing teacher, saw the need for education in family problems, and therefore devoted class time to the discussion of these problems. The senior homemaker groups spent a semester dealing with marriage—before and after, while Mrs. Kamm's division was "deliciously" entertained by cooking techniques.

COMMERCIAL DEPARTMENT

The commercial department endeavored to give students a peek into the large business world that has so many opportunities for them. It not only taught them the skill of shorthand and typing but also helped students understand business forms and how to keep books for personal use as well as business purposes. The outward signs of accomplishment in this department were the pins which were awarded for speed in both shorthand and typing.

MUSIC DEPARTMENT

Throughout the year the Crimson and Gold Choir, band, and orchestra contributed much to the old Alma Mater. The music department not only provided entertainment for students and parents at school, but for many people at home listening over KBUC. The orchestra and choir, which got new crimson and gold robes this year, provided the musical part of every program, while the band put the pep into the pep assemblies and performed many clever stunts during half-time at the football games. It also entered many contests and brought home several trophies.

ART DEPARTMENT

The Christmas season offered a world of opportunity for showing off the talent of the art students. They decorated the hall with a big tree, and tinsel stars shone throughout the school buildings. All through the year someone from the art department kept fresh flowers in the main hall, and in many ways contributed to the beauty of the school. The art department made trips to the Huntington Library and the L. A. County Museum at Exposition Park.

PHYSICAL EDUCATION DEPARTMENT

Throughout the year the girls' PE classes, besides their regular class work, took part in inter-class tournaments which built up a lot of spirit among the classes. The girls played the usual sports — basketball, volley ball, speedball, hockey, softball, and tennis. The boys just played—football, basketball, baseball, and track. Some went out for tennis. As an extra activity dancing classes were held to teach the fundamentals of dancing to the students who didn't know them. This proved to be very advantageous to these people.

DRIVERS' EDUCATION

The newest addition to the CHS curriculum this year was drivers' education. For the students who did not know how to drive, it was a great opportunity, and for the students who already knew how to drive, the course helped to correct bad habits, and to teach the proper way to drive. This course was really one of the most interesting and exciting, because it offered both classroom study and actual behind the wheel driving.

MANUAL ARTS DEPARTMENT

Manual training is given at CHS to give the boys (and girl) a practical and mechanical side of education. In the wood shop classes, students make everything from stools to toboggans, while in the metal shop the boys weld, do metal work, and work on their cars. Another of the classes, mechanical drawing, gives the future architects a basis for further work in that field. This phase of schooling is designed to give the boys a chance to use their hands as well as their brains.

VOCATIONAL AGRICULTURE

Vocational ag had as its primary objective that of getting young men started in farming. The boys learned by doing; their projects taught them the business and management of a farm. It also supplied the vital technical and scientific information necessary to become a successful farmer. Since these were the first ag classes in six years, the whole department went through a period of reorganization.

STUDENT BODY PRESIDENT

"Let's give 'em another big hand for a swell assembly!" So, we did! Nobody minded acting on one of David Holton's requests. It was a pleasure, whether you were sitting in the audience at an assembly or a football game, where Dave also proved to be valuable to old Corona.

As a leader in the many activities of which he was a part, Dave displayed his ability to the greatest extent in matters of student government as president of the Student Council.

STUDENT COUNCIL

Row 1: Jim Worthing, Bill Robertson, David Holton, Barbara Downs, Jim Ragsdale
 Row 2: Myron Joseph, Bill Zidbeck, Betty Dober, Pat Sparkman, Bobbie Brandon,
 Gee Gee Jewell

The Student Council had many heated discussions on the up-to-date school problems. It handled and settled these problems with speed and efficiency under the leadership of David Holton, student body president. Some of the major problems were payment on the football bleachers, and spending excess funds.

The Student Council consisted of: David Holton, president; Betty Dober, vice-president; Bobbie Brandon, secretary; Myron Joseph, treasurer; Gee Gee Jewell, Coronal Editor; Bill Zidbeck, Coronal Business Manager; Jim Ragsdale, Fire Chief; John Shannon, Senior Class Representative; Barbara Downs and Bill Robertson, Junior Class Representatives; Pat Sparkman and Jim Worthing, Sophomore Class Representatives.

SCHOLARSHIP SOCIETY

- Row 2: Jeanne Dupuis, Rita Fuller, Barbara Downs, Jerry Emerson, Pat Olson, MJ Storm, Arlene Wheeler, Clarcy McCord, Morris Eaton, Jim Husted
- Row 3: Scharli Lyon, Gee Gee Jewell, Betty Hall, Pearl Schmidt, Robbie Walker, Joyce Abrahamson, Peggy Harvey, Frances Martinez, Elaine Bryant, Sally Becker, Pat Sparkman, Phyllis Mascaro, Jennie Adamo, June Smith

The Scholarship Society is made up of those students who have, for one semester, maintained a high scholastic standing by receiving enough A's or B's to earn 10 points or more. Those students who managed to get on Scholarship for four semesters, one of which was in the Senior year, received the honor of becoming Life Scholarship members. They were not announced until graduation.

This year, for the first time, an educational trip was taken by the group. It is hoped that this can become an annual happening. Officers for the year were: president, Leonard Dueker; vice-president, Kay Sebold; secretary-treasurer, Barbara Downs.

QUILL AND SCROLL

Row 1: Dannee Sitzman, Barbara Downs, Joan Velthoen, Robbie Walker, Betty Hall, Gee Gee Jewell

Row 2: Bill Zidbeck, Bill Robertson, Barbara Cannon, Richard Ortega, Jim Ragsdale, Elaine Bryant, Jim Husted

Row 3: Barbara Bentrup, Rose Abercrombie

The international organization of Quill and Scroll made its first appearance at CHS this year. The society is for journalism students who wish to aim at higher goals in that field. The group decided that the newly organized Quill and Scroll was to be called the Lee Shippey Chapter, after a Los Angeles Times writer whom they heard speak at the journalism conference at Chaffey College.

The initiation was held February 3rd at the home of Mr. Ritter, which began the year of good times and experiences.

Row 2: Jim Husted, Mr. Ritter, Pat Sparkman, Bill Zidbeck, Jeanne Dupuis

CORONAL

The Coronal staff was chosen early in the fall term. The "lucky" people were: Jeanne Dupuis, Scharli Lyon, Joan Velthoen, Jim Husted, Kay Seebold, Jim Ragsdale, Pat Sparkman, Don Gruner, Bill Zidbeck, business manager, and Gee Gee Jewell, editor. For the first time in many years the staff sold advertising, which helped greatly in covering the expenses. Staff members also sold rooters' caps during football season, adding more spirit to CHS games. The staff had a card party at their sponsor, Mr. Ritter's, home early in the year, but most of the year consisted of meeting deadlines. (Editor's note: Ha!)

Due to the large membership, Hi-Tri was divided into two groups this year. Jeanne Dupuis headed the Junior-Senior group, aided by Mary Hecrer as vice-president; Rose Abercrombie was recording secretary; Joan Velthoen, corresponding secretary; and Dingle Steele, treasurer. Also making the program go were all the chairmen. Pat Sparkman presided over the Sophomore group, assisted by Ruth Titus, vice-president; JoAnn Housley, recording secretary; Janet Dunn, corresponding secretary; and Sally Becker, treasurer. Also helping were her chairmen.

The Sweetheart's Ball, the annual Valentine's formal, high-lighted the year. Other activities included the initiation, recognition service, hay-ride, alumni dance with the Hi-Y, and a farewell tea given in honor of Miss Paradis, who left in February.

Hi-Y committees made up baskets of food and sent them to the poor and needy families in town, in order to make their Thanksgiving a happy one.

President Mike Lugo headed the year's Hi-Y Club, with Vice-President Leonard Dueker always ready to take over. Secretary Jim Ragsdale scribbled the minutes, while Treasurer Bill Robertson squeezed empty pockets of Hi-Y members for dues.

Various social events were planned during the year to promote fellowship and sportsmanship. Several speakers gave very inspiring talks to the boys and gave them something to think about.

The "B" Lettermen combined with the varsity Lettermen to promote a benefit game between the Harlem Globe Trotters' professional basketball team and a selected Corona team in order to raise funds to buy the Panthers' basketball team new sweat-suits. The game netted a good profit, and our team sported the flashiest sweat clothes in the Tri-County League!

Harvey Simpson, president for the past two years, headed the "B" Lettermen again this year. New officers were not chosen, but carried over from last year.

For the first time in six years, there was a Future Farmers organization at CHS. The members, who come from the various vocational agricultural classes, chose the following officers for the year: Clay Nichols, president; Richard Ortega (who has won two blue ribbons for judging), vice-president; Louis Uribe, secretary; John Fleming, treasurer, and Allen Jackson, reporter. The club's main activity was to go to different stock shows, and compare their own judging with that of the officials.

The year 1948-49 was a golden year for the vocal music department. The Corona Lions Club made possible some beautiful crimson and gold robes for the choir. In this attractive attire they gave many splendid performances, including Lemonville, Christmas programs, radio broadcasts, Tri-County Music Festival, assemblies, the Spring Concert, Baccalaureate, and Commencement.

A Crimson and Gold Girls' Ensemble was formed during the second semester, and it took part in many programs. Many students studied voice during the year, and as soloists gave a recital in May. These students included Earletta Bell, Betty Pitts, Billie Hall, Frances Dugger, Faith Rispalje, Rita Fuller, Dot Lindsey, Clydean Lawson, Hilda Childress, David Farnsworth, Roy Erickson, Ronny Agins, and Arnold Sears.

BAND

This year under the leadership of Mr. Becker the band members gained much experience in the fundamentals of marching by performing during half time at the football games, and participating in several local parades. To complete the major portion of the marching season, they went to Long Beach to compete with bands from all over Southern California, where they made a very commendable showing. The concert band, under the direction of Mr. Heckel, gave its second annual concert in March, and competed in the state contest. Mr. Heckel also planned several ensembles and trips for the members of the band this year.

ORCHESTRA

Due to the departure of Mr. Becker, the orchestra did not keep together as an organized club as it had in previous years. Throughout the year the orchestra played at the Thanksgiving and Christmas programs. The orchestra always provided the music between the acts of the different plays, the Junior play being the exception this year. Since the orchestra was actually part of the play, only the saxophone section was used.

ASSEMBLY PLANNING COMMITTEE

Left to right: Bill Roberts, Larry Clark, Jean Blair, Bobbie Brandon, LaVerne Andy, Jean Attobury, Hilda Childress, Betty Hall, Betty Cole, Bob Baker, Jeannette Hazzard, Jerome Ross

Under the co-chairmanship of Bob Baker and Bill Roberts, the Assembly Planning Committee planned many enjoyable assemblies including several exchange assemblies with nearby schools. Because of the large number of students that wanted to serve on the committee, the members had to be voted on this year. Mrs. Hyatt acted as supervisor, helping the members with such problems as time and content of the program that was to be presented.

Activities

WELFARE COMMITTEE

Lupe Perez, Shirley Herman, Geneva Rogers, Geraldine Pauley

"Don't forget your Tuesday collection—" no one did either. Due to the efforts of Lupe Perez, Shirley Herman, Geneva Rogers, Jerry Pauley, and Mrs. Arnold, the Welfare Committee, was very active this year. Money received from the Tuesday collections went for such causes as the cancer, tuberculosis, and polio funds. At the end of each quarter a dance was given as a reward for the classes that had 100 per cent.

The girls volunteered at the beginning of the year for this committee. They corresponded with foreign countries, sent packages to CARE, as well as planning several assemblies, consisting of movies and speeches concerning different fields of welfare work. These four girls have really done a great job, and CHS is proud of them.

SERVICE CLUB . .

Although the work of this club was not confined to one definite group, the service itself was done efficiently and well. Such volunteer work as a bouquet of flowers for the main hall was a sign that some members of the student body were trying in a meager way to make old C.H.S. a cheerful home.

Under the guidance of Miss Mary Healy, several art students took special interest in this project of serving the school. This group was not without help, though, for Mrs. Kamm, with various home-making girls, was ever-ready with artistic assistance.

Jo Ann De Gasser, Jeanne Dupuis, Elaine Bryant, Janice Bryan

Lemonville, annual play and dance, presented by the Junior Class, was held Friday, November 12, 1948, in the High School gym. The theme was "Lemonville" and was carried out in green, yellow, and white, with lemon trees "growing" in each corner. Long lemon branches stretched across each end of the gym.

The plays were put on by the drama class. One, "Thank you Doctor," was the story of an attempted jewel robbery; Jim Ragsdale and Jackie Stewart played the leads. The other play, "Service With a Smile", was written by the drama class and took place in a saloon in the gold rush days.

The Junior class executive board decorated the gym for the dance under the supervision of Rose Abercrombie, Decoration chairman. Concessions were sold under the chairmanship of Barbara Murphy. Class sponsors for this event were Miss Stone and Mr. Pauly. Miss Cogswell directed the plays.

FOOTBALL BANQUET

The annual Lions Club "Father and Son" Football Banquet was held on December 9. The banquet, which honored over 65 varsity and "B" football players, and their fathers, turned out to be a great success.

John Wyrick, whose crashing work at fullback on the varsity squad, earned him a berth on the All-Tri-County eleven, was voted the "Most Valuable Player". Melvin Knorr was chosen as the Bee's "Most Valuable Player," for his startling line play at guard.

This year the boys were honored to have as their speaker, Bob Winslow, an assistant coach for the Trojans. Winslow was the man responsible for holding Notre Dame to a 14-14 tie last fall in the S.C. game. To conclude the evening, gifts were presented to the coaches from the boys on the two teams.

CHRISTMAS PROGRAM

A very impressive program was presented at Christmas by the Crimson and Gold Choir, the band, and the drama class. The choir sported its new crimson and gold robes for the first time at school, which added to the interest of the program.

For the final number on the program, the choir united with the drama class to present "The Song of Christmas," a Fred Waring number. The drama class made shadow pictures to illustrate the Scriptures, which were read by a member of the choir. Fitting music was sung for every scene appearing on the screen. The only light for this outstanding presentation was that of the candles held by the choir members.

YELL LEADERS

"Colton has Jazz,
Colton has swing.
But Corona High
has
EVERYTHING!"

Linda Fair, Bill Zidbeck, Erma Bradbury

If this didn't make you go practically mad cheering, it wasn't the fault of the yell leaders, Linda Fair, Erma Bradbury, and Bill Zidbeck.

Even though "No. 6" was banned early in the year, the cheers met with the approval of the Corona High rooters, as was evidenced by their hearty response. The yell leaders "fought vigorously" to get the rooters behind the team, introducing several new yells. Altogether they succeeded very well in imparting the spirit of the game to the "bleacher quarterbacks!"

Jody Roos, Carrie Dalcamo, Jean Blair

SONG LEADERS

During football and basketball season, who was always on hand to see the teams through to victory — the song leaders, of course! In short, red corduroy dresses, trimmed with gold sequins, the song leaders made "quite a showing" during both seasons. Carrie Dalcamo, Jody Roos, and Jean Blair were the girls who did such a fine job singing the team to victory.

QUEEN OF HI-JINKS

HI JINKS

Princess Bobbie Brandon, Princess Hazel Steele, Princess Jeanne Dupuis, Princess Joan Hogan, Princess Mary Hercer, Princess Virginia Jewell, Queen Arlene Wheeler

Arlene Wheeler, Girls League president was crowned Queen of the annual Hi Jinks on March 11. The theme for this event was "Moonlight Serenade", which was held at the American Legion Hall. The decorations consisted of a big silver half moon, which was the queen's throne, and silhouettes on the wall.

Other members of the court were: Bobbie Brandon, Jeanne Dupuis, Mary Hercer, Joan Hogan, Gee Gee Jewell, and Hazel Steele. Dannee Sitzman was crowning officer and Rollie Morgan was mistress of ceremonies.

Barbara Bentrup was general chairman of the occasion.

The crown bearer was Curtis Heckel and Annette Farmer was the flower girl. The Jive by Five band provided the music.

JUNIOR PLAY

Horror struck the audience at the annual Junior Class play, when the ghost of Mr. Charles Jasper walked. On the night of February 25, this play was given, with the setting at the St. James Theater in New York.

The legend of the theater was that the ghost of any man murdered on its premises would walk. A dumb woman would appear just before the walking of the ghost, and she would be killed by that ghost.

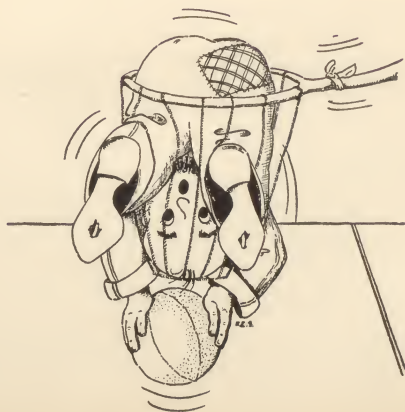

All happened as predicted; Maurice Mullins killed his cousin Charles Jasper to inherit the 2 million which would be his, if Mr. Jasper were dead before 11.

The play was directed by Miss Mary Cogswell. The actors were:

Mr. Charles Jasper	Bill Zidbeck
Beatrice Jasper	Robbie Walker
Maurice Mullins	John Labrum
James North	Bill Robertson
Mrs. Arthur	Deneice Buchanan
Mrs. Wragg	Barbara Cannon
Miss Groze	Linda Fair

The Panthers, in their first league game, whipped the Bonita Bearcats 14-7, for their first league victory in seven years over a Bonita eleven. Dave Holton scored two touchdowns from the one-yard line. Harvey Simpson scampered 55 yards on a punt return to set up one Corona touchdown.

The Panther's winning streak was stopped by Puente 14-7 in their next league game. Guard Leonard Ducker blocked a Puente punt on the 8-yard line, and tackle

Ronny Statum recovered to set up Corona's lone touchdown. Jarrin' John Wyrick, on a fake reverse, rammed over the middle to score.

The Panthers were really trampled by the Chino Cowboys, who copped a 27-6 victory. Jarrin' John cracked over center from the one-foot line for Corona's only score.

In a thriller, Corona was edged out by Claremont 27-20. Wyrick scored from the one-yard line; Simpson snagged a 20-yard pass from Wyrick to score, and Mike Lugo whipped a 15-yard touchdown pass to Lloyd Cullins to give the Panthers their final score.

Redlands' Sophomores smashed over the Bee's 19-0 in the Panther's next practice game.

The Bee's were edged out 7-6 by the Bell Garden's Lancers in their third game of the season. Raymond Jensen picked up one of his teammate's fumbles and scampered 80 yards to pay dirt, the longest Panther run of the season.

The Panther Bee's were walloped 19-0 by Puente in their next league game, though the game was closer than the score indicates. Corona attempted to overcome a 7-0 score in the fourth quarter by passing, but this proved disastrous. The Warriors intercepted two passes for touchdowns, making the final score 19-0.

The Bee's came close to upsetting a powerful Chino eleven, but dropped the count 12-6 in a thrilling game all the way. VARSITY BASKETBALL

Row 1: Angelo Lunetta, Morris Eaton, Harvey Simpson, Robert Smith
Row 2: Ronny Statum, Lindell Burnett, Bob Allen

Coach Taylor's Corona Panther's basketball squad won 11 and lost seven games this year for a .611 per centage.

The Panthers opened their basketball season against an Elsinore five who taught the Panthers the fundamentals of basketball, by copping a 28-17 victory. The Panthers came back strong against Redlands, who barely nosed out a 26-24 victory. Orange walloped the Panthers 44-24 in another practice tilt at Corona. Lunetta, Eaton, and Kelley played excellent ball for the Panthers. Lunetta, in their next game, pushed 15 points through the hoop to lead the Panthers to a 35-25 victory over Redlands.

Opening Tri-County League play against Chino, Corona suffered a 34-23 setback. Gaston Pigman bucketed 9 points to be high-point man for Corona.

Walloping Perris 45-26 in another practice game, the Panthers began to look like a team. Morris Eaton sank 10 points to lead the Panthers to a 39-22 victory over Perris in a return game.

Led by Leon Kelly, with 12 points, and Gaston Pigman with 11, the Panthers racked up their largest score of the season in a 44-40 victory over the Citrus Cougars.

Kelley swished a field goal through the nets with 10 seconds remaining in the Bell Gardens game, to give Corona a 30-28 league victory.

Claremont, undefeated in league play, swept to a 43-23 victory over the Corona cagers. Claremont's height, averaging 6 feet, 2 inches, was too much for the scrappy Panthers. Pigman bucketed 11 points to aid the Panthers' losing cause.

Puente's Warriors nosed out the Panthers 32-28 in their next league game at Puente. Lunetta swished through 10 points to take high-scoring laurels.

Kelley put 12 points through the hoop to lead the Panthers to a 29-20 league victory over the Bonita Bearcats.

In a second round game, the Panthers held Claremont's high flying championship five, to a 26-24 third quarter lead, but fell apart in the fourth quarter as the Wolf-pack swept to a 49-27 victory. Kelley led the scoring with 11 points.

Pigman bucketed 12 points to lead Corona to an easy 42-37 victory over the Citrus Cougars.

Led by Eaton, who dropped 14 points through the hoop, the Panthers swept to another easy victory by defeating a helpless Bell Gardens five 42-29, in one of our best games during the season.

In the next game, Eaton dropped a free throw through the hoop, with 30 seconds of playing time remaining, to give Corona a hard earned 26-25 victory over Chino.

Throwing in basket after basket, Corona, completely outclassing and outplaying Puente, swept to a 41-20 victory. Lunetta, with 13 points, led the scoring for Corona.

Pigman made 13 points to lead the Panthers to a thrilling 46-42 win over a fighting Bonita team, to end the season in a blaze of glory.

Lunetta bucketed 116 points this year to lead all Panther scoring; Pigman was close behind with 108 points.

Kelley placed on the third string All-Tri-County League team for the Panthers.

Coach Kamm's varsity tracksters copped second place in the Tri-County League, with 51 points, edged out by the Bonita Bearcats, who had 60 points.

Kenny Shepard proved to be the outstanding trackman in the Tri-County in his specialty, the pole vault. Kenny soared over the bar at 12 feet eight and one-half inches in the Tri-County preliminaries, to set a new record.

Chuck Wroot sped to a 21 flat victory in the 180-yard low hurdles, to upset the great favorite, Acrec of Bonita, in the Tri-County finals.

The Panthers dominated the 880-yard run in all their duel meets this year. Jim Harker churned the two laps in 2:09.8 to take first place in the Tri-County, with his teammate, Larry Clark, taking third.

Broadjumping 20 feet 10 and one-half inches, Robert Broyles became the Tri-County broad jump champ. Other first class performances in the Tri-County meet were: Chuck Wroot, second in the 120-yard high hurdles; Fred Montejano, second in the mile; Jim Shaw, fourth in the 880; Lindell Burnett, third in the 220; Claude Sandoval, fifth in the 880; Raymond Jensen and Allen Jackson, tied for fourth in the high jump, and John Wyrick, second in the shot put.

In the Brea Olinda Relays, the Panthers, with Fred Montejano, Larry Clark, Ted Radcliffe, and Eddie Contreras, each running an 880, sped to a 8:48.7 record in the fourman two mile, breaking the old Brea Olinda Track mark of 8:50.3.

The Panthers took first place in the eightman relay with Robert Broyles, Bill Robertson, Jim Shaw, Chuck Wroot, Dee Pritchett, Raymond Jenson, Jim Harvey, and Lindell Burnett, each running 220 yards in 3:17.6.

In the Chino Relays, the Panthers notched three first places. Each running an excellent 880, Larry Clark, Bobby Taylor, Mike Sandoval, and Fred Montejano sped to a 8:59.9 victory in the four-man two mile. Winning the distance medley in 11:40 for the Panthers' second victory were Bob Morrell, 440; Jim Harker, 880; Ted Radcliffe, 1320; and Eddie Contreras, mile. "B" TRACK

Row 1: Ronny Iselin, James Harvey, Jack Cahall, Bob Allen

Bob Allen soared 10 feet 6 inches in the pole vault to cop the Panthers' only first place in the Tri-County finals.

Gary Webster, one of the five "B" athletes to place in the Tri-County meet, nabbed second in the high jump; Tony Carranza tied for third in the high jump.

The mighty Cee weights marched off with the Panther's only championship trophy of the year, scoring 39 points as they swept to the Class "C" Tri-County championship.

Top man on the "C" track team was Bill Robertson who sped to a new Tri-County record for the 180-yard dash of 18.9, breaking his own record of 19.2 that he set last year.

With a leap of 20 feet 4 inches in the broad jump, Robertson, broke his own League record of 20 feet 3 and one-half inches that he set in the Tri-County preliminaries.

Wayne Channel, not satisfied with the League record of 5 feet 6 and three-quarters inches, which he set in the Tri-County finals, jumped 5 feet 8 inches in a triangular meet with Bell Gardens and Citrus. This was one of the highest marks reached by a Class "C" in Southern California this year.

Clifford Hacker, Bob Clements, Wayne Channel, and Bill Robertson sped to a 48 flat 440-yard relay victory in the Tri-County, shattering the previous record of 48.9.

 Row 2: Carlos Uribe, Richard Ortega, Morris Eaton, Mike Lugo, Lloyd Cullins,
 Manuel Ornelas, Ed Contreras, Bobby Perez, Angelo Lunetta

Winning five while losing four games up to April 5, Coach Keer's Corona Panthers looked like a championship team.

The Panthers won two and lost four practice games, winning over Elsinore and Orange, while dropping close tilts to Anaheim twice, Elsinore, and Orange.

Up to the present date, April 5, our Panthers are tied for the Tri-County baseball lead with powerful Bell Gardens, at 3 wins and no losses.

Opening the baseball season against Elsinore, the Panthers, having only practiced three days, met too stiff competition in the Elsinore Tigers, and were shut-out 6-0. Carlos Uribe smashed out a homerun, while striking out ten batters, to lead the Panthers to a 4-2 victory over Elsinore in their second encounter.

Meeting Anaheim in their third game of the season, the Panthers were shut-out 3-0. The Panthers garnered 8 hits, but were unable to score.

The Panthers went on a hitting spree against a helpless Claremont nine, scoring 9 runs on 9 hits. Carlos Uribe struck-out 12 batters, as the Panthers went for a 9-4 league victory. Lunetta got 2 hits out of 5 times at bat, to lead their hitting attack.

Manuel Ornelas and Bobby Perez combined their pitching talents to clutch a 3 hit 2-1 victory for the Panthers over a well knitted Orange nine. Carlos Uribe again led Panther hitting, hitting 3 for 4.

Carlos Uribe pitched a one-hit 7-3 victory over the Citrus Cougars for their second league win. Lugo and Louis Uribe hit 2 for 3, while Richard Ortega got a homerun and a single. Paul Regan knocked out 2 singles in 2 times at bat, and Cullins smashed out a homerun.

The Panthers were again defeated by Anaheim, 4-0. As before, we got several hits, but were unable to score.

Reversing the score of their previous encounter, Orange edged out the Panthers 2-1 in their second meeting. Cullins smacked out his second homerun, for the Panthers' only score.

Going on another hitting spree, the Panthers smashed out 14 hits to trounce Puente's Warriors for their third straight league win. Carlos Uribe twirled a

3 hitter and Lloyd (Babe Ruth) Cullins got his third homer of the season. Eddie Contreras got 3 hits in 3 times at bat to lead the Panther's 14 hit attack.

The Panthers copped fourth place in the Pomona Tournament, doing what no other nine in the history of CHS had done. The Panthers lost to Point Loma, but swept over Pasadena 5-3, as Lunetta drove out a homerun to give the Panthers an extra inning victory. La Jolla took Corona 4-2; and in the Anaheim game, Paul Regan singled in the seventh to drive in Contreras to give the Panthers a 5-4 victory. In the consolation finals, Corona lost to a powerful San Bernardino nine 8-0. This was quite an achievement for the Panthers, to take fourth place out of 32 schools in the tournament, which was finally won by San Diego.

The batting averages up to April
were:

	AB	H	BA
Richard Ortega	11	5	.455
Mike Lugo	26	11	.423
Eddie Contreras	15	5	.333
Carlos Uribe	33	9	.273

BOYS' TENNIS

Row 1: Bill Zidbeck, Jack Dolan, Bill Roberts, Harvey Simpson, Leon Kelley

Row 1: Coach Taylor, David Holton, Donald Root, Bill Crossland, John Shannon, Art White

The varsity tennis team of this year practically started from scratch. Dave Holton, Bill Zidbeck, and Jack Dolan were the only returning lettermen from the Panther team of 1948, and they took over the first three singles positions. The other singles men were Art White, Bill Roberts, Howard Hill, and Leonard Ducker, and the doubles men — Leon Kelley, Harvey Simpson, Don Root, and Bill Crossland. Because of a last-minute change in schedule, the Panther netters had no practice matches, and they lost their first league match to Bonita by 6-3. Corona winners were Dave Holton at first singles, Bill Zidbeck at second singles, and Bill Roberts at fifth singles.

Remaining to be played are matches with Bell Gardens on April 22, with Chino on April 26, and with Citrus on May 3.

Of the eleven men listed above, only three, Bill Zidbeck, Jack Dolan, and Howard Hill, will return next year.

GIRLS' TENNIS

Row 1: Mary Belle Hillhouse, Eva Cheaney, Jeanne Dupuis, Arlene Wheeler

Row 2: Barbara Jean Shockley, Darleen Layton, Clarcy McCord, Lucille Wingo, Lois Dillon

This year's girls' tennis team started out very well, losing its games by very small margins. Under the leadership of Mrs. Lois Tait, a ladder tournament was held to establish the best players for the team and their positions on the team.

Those qualifying for the team were: Arlene Wheeler, first singles; Clarcy Ann McCord, second singles; Jeanne Dupuis, third singles; Marybelle Hillhouse, fourth singles; and Lucille Wingo, fifth singles.

The two doubles teams consisted of Darleen Layton and Lois Dillon playing first doubles, and Eva Cheaney and Barbara Jean Shockley playing second doubles.

As Mrs. Tait was ill, the girls finished up the season under the direction of Miss Tinker.

THE KID CLASS HAND FROM

THIS IS HOW WE DOOD IT

MONDAY, SEPT. 13—

The lateful day. End of beach days, swimming parties, free evenings—we're back to school. This morning was the usual first-day madhouse. How many sophomores can there be? The first class yell of the year, made by the new and proud senior class, nearly lifted the roof off the old auditorium.

WEDNESDAY, SEPT. 15—

Our first national assembly today. A real goodie—it was given by a Dutch couple who sang, danced, and talked about their homeland.

THURSDAY, SEPT. 23—

We Senior and Junior gals played big sister to the Soph girls at a picnic sort of lunch for Girls' League Big and Little Sister Day. We loved that salt (?) ice-cream.

FRIDAY, SEPT. 24—

Football! Everybody turned out for our first practice game with Colton. We cried in our (root) beer when the varsity lost, but cheered the "B's" to victory.

TUESDAY, SEPT. 28—

Song and yell leader aspirants strutted their stuff at the assembly to choose the best ones.

FRIDAY, OCT. 1—

Second practice game with Redlands today. The game was followed by our first dance sponsored by the Hi-Y. Those football heroes! Umm.

The Bonita Carnival tonite. Our varsity played Citrus and—surprise—we won!
